

Call for Application:

ASEAN in Today's World 2023 (AsTW 2023)

Dear Partners,

Greetings from the Kyushu University, Fukuoka, Japan!

We proudly announce that Kyushu University (Japan) and Mahidol University (Thailand) will host the 15th ASEAN in Today's World (AsTW) 2023.

AsTW is a two-week study program at the undergraduate level, designed to deepen understandings of ASEAN and East Asian affairs. Since 2009, the Kyushu University has organized the program with our partner universities in ASEAN countries, in cooperation with the ASEAN Secretariat and the ASEAN University Network (AUN).

ASEAN in Today's World (AsTW) 2023 will be held 13 – 24 March, 2023, at Mahidol University, Thailand. We welcome applicants from ASEAN countries and the rest of the world. The medium of instruction is English. Kyushu University provides scholarships for the selected participants mainly from ASEAN countries.

For the details about AsTW 2023 courses, please visit our website:

The application deadline is December 9, 2022. Taking AsTW 2023 courses will be an excellent opportunity for students to explore the potential of ASEAN and broaden their horizons in today's globalized world.

We would be grateful if you could widely spread the information about AsTW 2023 courses to your students.

Sincerely yours,

Hiroko Ikuta, Ph.D.

Program Coordinator of AsTW

Associate Professor,

International Student Center, Kyushu University
